Dear Mr. Mateer,

I wanted to provide you with the status of the July 8, 2008 amendments to expand package sizes and to ask a question about your August 8, 2008, Final Printed Labels for these products.

1. Status of July 8, 2008 Amendments to Expand Package Sizes

We will be finishing our review of these amendments this week.

2. Question about August 8, 2008, Final Printed Labels

We normally do not perform a formal review of final printed labels. However, I did have a question about the ones that you submitted August 8, 2008.

Do the type sizes on the Final Printed Labels submitted August 8, 2008, represent the type sizes actually used in marketed product?

Thank You,

Daniel B. Peacock, Biologist
